

## Mauritius Tour 05 Nights / 06 Days

### Mauritius

Mauritius is located approximately 2000 km to the south eastern coast of Africa and lies east of Madagascar on 20°S, 57.5E. The country covers an area of 1865km<sup>2</sup> with 330 kilometers of coastline. Mauritius is 45km in width and 65km in length and population is approx. 12 million, Literacy rate is 83%.

The island is of volcanic origin and mostly surrounded by coral-reefs, The national territory of Mauritius surrounds the islands Rodrigues , St. Brandon, Agalega-Islands and several smaller islands near the coast.

The first record of Mauritius comes from Arab Sailors as early as the 10th century. But Officially it was discovered in 1505 by the Portuguese navigator Pedro Mascarenhas, in 15<sup>th</sup> Century and the Dutch period Started (1598 - 1710), in 1598 the Dutch took possession of the island and named it Mauritius , Than French period (1715 - 1810), in 1715 the French took possession of Mauritius to protect their ship routes to India ,and at last English period (1810 -- 1968), great social and economic radical change. The abolition of the slavery in 1835 was the highlight, as result of this is the immigration of Indian workers, Hindus & Muslims who now took the work on the sugar-cane fields. Due to their majority, the culture of the island was strongly characterized. Chinese traders immigrate. Mauritius comes to prosperity by the well developed sugar industry. Mauritius gained independence in 1968 and from the 12<sup>th</sup> March 1992 became a republic state.

Climate is comfortable around the year in which the months April till July and September till October are the most pleasant. During these months it rains less and the temperatures aren't too high. The temperature on the coastal areas varies between 22°C in winter and 34°C in summer.

Mauritius is a blend of diverse cultures and religions. The population consists of Hindus, Creole, Chinese, Muslims and Europeans.

### Info Port Louise

Port Louis is the capital city of Mauritius it is located by the bank of black river. Port Louis is the country's economic, cultural, political center and most populous city with almost 150.000 habitants

The population of Port Louis is now largely made up of the descendants of laborers who emigrated from India in the 19<sup>th</sup> century. Port Louise's highest average temperature is 32 °C and low 20 °C, thus it has pleasant weather all over the year, December to April are the wettest months while May to Nov are comparably dry but still with rains.

Port Louis is home to the nation's main harbor, and is the only official port of entry and exit for sea vessels in Mauritius. Ships must clear in the port before visiting any other anchorage in the island nation.

The city has a diverse, vibrant culture which is mix blend of local and foreign custom inspired by British & French rules, also influence by Indian culture. Because of its strong democracy and government policies Port Louise considered as a safe & liberal city. The Blue Penny Museum is located at the Caudan Waterfront, and is reflects history & art of the Mauritius.
